These comments could include clarifications of your responses to the other items in this section, specific examples of instructor activities, or additional observations of the instructor's teaching not reflected in the other items in this section.

- The instructor performed well as a teacher
- One of the best teachers I've ever had so far!!! From the way she teaches in such a simple and easily digestible way, to the visualizations and diagrams she draws of the topic, to the handouts she prints!!! Her teaching is just a work of art, she might be the reincarnation of Da Vinci or Michael Angelo!
- I think Professor Chu was an amazing professor. Her teaching style is amazing and was easy to follow.
- very good teacher and patient
- The professor was able to keep class engaging while keeping the material easy to understand.
- Professor Chu does an fantastic job at not only keeping class interesting and engaging, but manages to deliver course content that would be a lot to remember in any other class, but feels manageable and easy here.

These comments could include clarifications of your responses to the other items in this section, specific examples of instructor activities, or additional observations of course organization not reflected in the other items in this section.

- The instructor makes the course, well organized
- I really appreciated how Professor Chu taught us complicated topics in an easier manner and in her own style. She was very organized and tried to find alternative teaching methods for her students to better understand any not-so-easy lessons.
- very good
- Grades were easy to understand and given out at reasonable times. Many of the assignments helped in understanding the content being taught.
- Professor goes out of their way to provide extra content which helped a lot in understanding difficult content. Things like interactive games and study guides were an huge help.

Student Relations: Please use the space below to provide specific comments about how the instructor interacted with students. These comments could include clarifications of your responses to the other items in this section, specific examples of instructor activities, or additional observations of instructor-student interactions not reflected in the other items in this section.

- The instructor has good interactions with the students
- She is very respectful towards her students and she is the type to try to connect with her students. I enjoyed the fact that she would take the first 5 minutes of class asking us a simple/fun question to get to know us better.
- Professor was able to respond to student questions and concerns relating to both course content and test dates.
- One of the nicest professors I've met so far, who's passion for topic they're teaching comes through in how they interact with the students, always making sure the class is on the same page and no one is left behind.

- She is a great professor, she'll answer any question and try to break it down for you to understand
- N/A
- Professor Chu made difficult topics easy to understand, taking time to break things down. I am not very good at Biology but she helped me learn. She made class a fun place to be and educational space. I really liked her class and would recommend her.
